PREFACE

We are proud to present to you the Ninth Edition of the List of Judges of the Magistrate's Court, which is offered as an aid to the men and women of South Carolina who serve as judges in what has been called the people's court.

This year's publication will maintain the same formatting as the 1987 Guide for Magistrates, using county codes and judge codes. As you will note, each county's code is located to the right of the county heading; the judge's code is found in the left margin adjacent to each judge entry; all counties are listed alphabetically; and each magistrate is listed alphabetically within their respective county. Every effort has been made to see that the information in this publication is current, accurate, and easily followed.

My personal thanks to each Magistrate and Mr. Terry Leverette of Court Administration, for supplying us with the necessary updated information to produce the 1988 Guide for Magistrates, and to Ms. Elizabeth McDermott who has consolidated, assembled, and finalized this publication.
